

OUR STORY

At the age of 18, **Rod Silva**, our founder, began working out. He soon learned that 80% of the results of exercise are due to eating the right foods and he could not find any restaurants that served great tasting food with the correct nutrition he required. On December 8th of 1995, Rod opened the doors to a protein smoothie store in Colonia, New Jersey, which also carried a full line of sports supplement products. Rod was 23 years old, still exercising more than ever. While running the smoothie store, Rod would bring his food for lunch and dinner. Customers would smell the delicious aroma and would ask if they could buy his food. Rod started cooking extra food and began selling the tasty, nutritious meals to his customers. From our humble beginnings and a \$15,000 loan on Rod's 1990 Nissan Maxima, **Muscle Maker Grill** was born. Rod, having come from a family of great cooks, began creating recipes for...**"Great Food With Your Health in Mind"**

About Our Nutrition

Everyone's idea of nutrition is different. Some people want low carbohydrates, some high protein, some low fat and others low calories. One way to look at it is if you are a calorie counter. If I have 100 calories of food in my left hand and 160 calories of food in my right hand, which one is better for you? The left one, correct? Well, if the 100 calorie, left hand was full of cookies and the 160 calorie, right hand was lean chargrilled chicken, what would your answer be? Obviously the lean grilled chicken, but the point is that nutrition is looked at differently by all of us. At **Muscle Maker Grill**, we take the food you love to eat - Italian, Asian, American, Cajun, Mexican and Southwestern - and make them with a healthy twist! - **The Muscle Maker Grill Team**
